General Comment

It is my understanding that this regulation would prevent me from using options as part of my IRA. I find this to be unacceptable. I'm not a child. This is my money. I demand the right to invest it in any manner I choose. Your effort to 'protect' me is nothing more than an infringement on my financial freedom. I insist that any restrictions on the use of my IRA funds be removed completely from this regulation. I use options and I demand the right to continue to use them
